

WOMEN IN CONSTRUCTION: *Tradeswomen Panel and Interactive Event*

Interested in a career in construction?

Hear from a panel of Milwaukee tradeswomen and apprentices and learn more about each of the local building and construction trades with hands-on activities.

Why Choose Union Apprenticeship?

Earn family-sustaining wages during your apprenticeship and see pay increases as you advance in your career

Receive premium healthcare benefits and access to top tier healthcare providers for yourself and your family

Learn a skilled trade in only a few years and be able to use your construction knowledge outside of work

Work in your community to build or improve local infrastructure, healthcare and educational facilities, office and residential buildings and more

Date

Saturday, March 5th, 2022
